

# Scarecrow Fun Weekend

**Saturday & Sunday  
7<sup>th</sup> and 8<sup>th</sup> June 2014**

***NOT LONG TO GO NOW .....***

So that we can get an idea of how many scarecrows we will have on display **PLEASE** let me know, as soon as possible, either **via telephone or email**, your name and address so that we can get a programme together.

The programmes - with a map included - will be for sale from the village hall and this will make it easier for visitors to tour the village. Obviously I will not be putting anyone's name or address in the programme just an indication on the particular road.

I'm sure we will have some wonderful interpretations so keep scouring the second hand shops and jumble sales for clothing etc.

Don't forget to visit the new **Art Exhibition** in the Village Hall and a new **Photographic Exhibition** in the Church – both courtesy of the Stone & District U3A and refreshments as usual at '**Scarecrow Café**'

**Prize giving** on Sunday at **4.30 pm** in the Village Hall !

Watch for more information **AROUND THE VILLAGE** and in the **June edition** of the Parish Magazine.

**Do come** to the special '**Scarecrow Service**' at **11.15 am** on Sunday 8th June where the church will be decorated with lots of scarecrows.
