## **Volunteers are needed !**

To help make this an even more successful Scarecrow Weekend this year we really do need offers of help please. Even if you can only spare an hour your help would be so much appreciated.

Come with a friend to make it more fun and volunteer for perhaps:-

- Greeting visitors and monitoring the photographic display in Church for an hour.
- Making cakes for the Scarecrow Café
- Helping in the Café
- Selling Raffle Tickets
- Selling Trail Programmes

If it's your first time helping out it's a good, friendly way to get involved with the weekend!

For newcomers to the village the Scarecrow weekend is a bi-annual event started in 2008.
