

Paddy Stanley

1928 - 2013

It is with much regret that I notify you of the death of ex-Parish Councillor Paddy Stanley who died on Thursday 11th July 2013 after a long illness.

Paddy's funeral will be held on Monday 22nd July 2013 at Stafford Crematorium at 1.30pm. Paddy's daughter forwarded me this information.

Paddy was known to many in the village as a real gentleman and will be missed walking his dog around the village and Hilderstone Walkway. He was one of the instigators of the Walkway and made it his mission to plant wild flowers around some of the lanes making up the 1 mile route of Cotwalton and Dingle Lanes. Paddy served on the Parish Council for a number of years and retired in 2007. There is also a bench in the Children's Play Area to mark his service to the Parish.

Roy Clark
Chairman Hilderstone Parish Council.
